SCHEDULING PROCESS FOR CPNRE® COMPUTER-BASED EXAMINATION

Section 1: Overview of Scheduling and Test Centre Appointment Process

The provincial/territorial jurisdictions have worked with its testing company, Assessment Strategies Inc. (ASI) to transition the CPNRE® paper-based licensure examinations to computer-based delivery.

The CPNRE®'s will be administered by ASI and delivered in Pearson VUE's network of proctored test centres across Canada.

The process for scheduling the CPNRE® is as follows:

Step 1: Test Writer receives an "Authorization to Test" letter.

Step 2: Test Writer creates a Pearson VUE web account and schedules appointment.

Step 3: Test Writer proceeds to take the CPNRE® computer-based examination at a Pearson VUE test centre.

More details about the above steps are provided in this document. Further, information is available at www.pearsonvue.com/cpnre

Section 2: Scheduling Pearson VUE Test Centre Appointment

Step 1: Receive “Authorization to Test”

The first step in the test centre appointment scheduling process is that the Test Writer will receive an email from Pearson VUE stating that the Test Writer has been authorized by their provincial/territorial jurisdiction to schedule an exam appointment with Pearson VUE to write the CPNRE®.

Authorization to Test Email: Instructions on how to schedule an appointment will be provided in the email. The Test Writer is required to contact Pearson VUE directly to schedule the date and time to write the CPNRE® exam.

Step 2: Create Web Account and Schedule an Appointment

- a) The second step in the test centre appointment scheduling process is for the Test Writer to set up a web account with Pearson VUE. The Test Writer will be required to provide their “Candidate ID” when scheduling an appointment to write an exam.
- b) Web or Telephone Scheduling: Setting up a web account with Pearson VUE can be done in one of two ways, as follows:
 1. Web Scheduling: A Test Writer can schedule an appointment by visiting the Pearson VUE website at www.pearsonvue.com/cpnre. As a one-time step, the Test Writer will create a *Web Account Candidate Profile*, and change the default generic information in Address, City, Province, Postal Code, Country, Phone, and Country Code to properly reflect current and accurate information. After creating a *Pearson VUE Web Account Candidate Profile*, Test Writers can schedule an appointment. Going forward, the web account can be used to reschedule or cancel appointments.
 2. Telephone Scheduling: The Test Writer can schedule an appointment by calling Pearson VUE’s Call Centre at 1-866-370-4560 between the hours of Monday to Friday, 7:00 am to 7:00 pm Central Time. As a one-time step, the agent will work with the Test Writer to create a “Candidate Profile” and change the default generic information in Address, City, Province, Postal Code, Country, Phone, and Country Code to properly reflect Test Writer information. After a “*Pearson VUE Web Account Candidate Profile*” is created, the agent will schedule the appointment. Going forward, the Call Centre may also be used to reschedule or cancel appointments.
- c) Cancellation/Rescheduling: If the Test Writer wishes to cancel or reschedule an exam, this must be done 24 hours prior to the scheduled appointment. If the Test Writer does not cancel or reschedule 24 hours before the appointment time, the Pearson VUE testing fee will not be refunded. A Test Writer can cancel by calling the Pearson VUE testing Centre at 1-866-370-4560 between the hours of Monday to Friday, 7:00 am to 7:00 pm Central Time. Alternatively, the Test Writer can cancel on the Pearson VUE website www.pearsonvue.com/cpnre up to 24 hours before the exam is scheduled to be taken.

- d) Accommodations: Web scheduling is not available to a Test Writer with an accommodation. A Test Writer who has been approved for an accommodation will need to call Pearson VUE Accommodations at 1-800-466-0450. To schedule, reschedule or cancel an accommodation appointment, the Test Writer must contact Pearson VUE Accommodations at 1-800-466-0450 between the hours of Monday to Friday, 7:00 am to 7:00 pm Central Time.
- e) Confirmation Email: After scheduling an appointment, the Test Writer will be sent a confirmation email that provides additional details, including directions to the test centre and other pertinent information.

Step 3: Computer-Based Examination at Pearson VUE Test Centre

- a) Test Centre Admission Requirements: A Test Writer is asked to arrive at the Test Centre 30 minutes before the scheduled appointment time. This will provide adequate time to complete the necessary sign-in procedures. If a Test Writer arrives more than 15 minutes late for an appointment, the Test Writer may be refused admission and the Pearson VUE testing fee may be forfeited.
- b) Identification Requirements: At the test centre, the Test Writer will be required to present two forms of original (no photocopies), valid (unexpired) identification. One form as a “Primary” Identification (must be government issued and have the Test Writer’s first and last name, photo and signature) and one form as a “Secondary” Identification (must have the Test Writer’s first and last name and signature). The first and last name that were used to register must match exactly the first and last name on both of the identifications that the Test Writer presents at the test centre. The Test Writer will not be permitted to test without proper identification.

Acceptable methods of “Primary” Identification are:

- Valid/current driver’s license
- Valid/current passport
- Valid/current military identification card
- Valid/current provincial /territorial identification card

Acceptable non-photo “Secondary” Identification are:

- Credit card
- Bank card

- c) Taking the Examination: The Test Writer appointment will be scheduled at a Pearson VUE test centre for a **4-hour CPNRE® exam of 165-170 questions**. In the event of an interruption during the testing session (e.g., technology or weather-related), the test centre TA (TA will be used in this document to mean test administrator, invigilator, and proctor) will make every attempt to re-start the exam. All responses are saved, and you will be able to start where you left off. However, if the delay lasts for more than 30 minutes, the examination may need to be rescheduled. You will be provided with specific information by your provincial/territorial jurisdiction.

- d) Test Writer Rules Agreement: When arriving at the test centre, the Test Writer will be asked to review and sign a “Candidate Rules Agreement” (see below) which can be found at www.pearsonvue.com/cpnre.
